Program: Blue Cypress Lake to Big Cypress Swamp New Images from Florida and Elsewhere

Spending more time in Florida—and now living there in the winter—photographer Cliff Beittel shares some favorite new Florida images and places, along with great new photos from Minnesota, Utah and Wyoming.

Speaker: Cliff Beittel

YAS member Cliff Beittel has been selling bird and other natural history photographs to magazines, books and calendars since 1995. His photos have won the world's richest wildlife phot contests and other prestigious awards. Most recently, one of his New Zealand albatross photos, first shown at our 2009 banquet, took a second place in National Wildlife Magazine's 2010 Photo Contest. He is proud to be making his fifth YAS Banquet appearance.
